

What's the Clubshop?

Since 1997, it's been an exclusive customers and merchants' Club with a special mission: "To help people elevate their quality of life."

People save money on their everyday purchases.

Since 1997, under the motto "Together Everyone Achieves More," Clubshop has put together millions of people worldwide to increase their buying power.

Merchants expand their market and get new loyal customers.

Clubshop cooperates with retail stores worldwide, online and offline, through a unique marketing strategy to bring them new customers and increase their retention rate without risky investments or upfront costs.

The new Clubshop Virtual Mall is your Clubhouse.

Inside the new Virtual Mall, you find all the opportunities to earn cashback you could ever need.

Also, you'll quickly find all the active or upcoming special offers and coupons to maximize your benefits as a shopper Member.

But not only!

The Virtual Mall will become the social place where you can meet and interact with the other Clubshop's members worldwide and the offline stores' staff.

Periodically, the V-mall will also host special events, performances, and live presentations.

At Clubshop we offer several kinds of membership:

SHOPPER MEMBER: Get paid to shop online at the ClubShop Mall and offline with ClubShop Rewards Merchants. As a Clubshop Shopper, you earn cashback on whatever you buy at any of the numerous big-name online stores and local stores available to you on the Clubshop platform. You can redeem your Cashback through PayPal, Bitcoin, or any other options that you can select at any time.

AFFILIATE MEMBER: Get paid to shop and get paid to refer people to become members for FREE. As an affiliate, we also give you the chance to earn direct commissions on everyday people's shopping. Being an affiliate is a fantastic opportunity for you to earn an extra income while showing your friends and family a great way to shop smart and save money.

PARTNER: Same as affiliate, but subscribing to GPS (Global Partner System), you get your own Clubshop Rewards Mall, with its advanced, dedicated CRM and Marketing platform that enables you to run a reliable and profitable online business. As a Clubshop Partner, your earning process follows a proven strategy. Virtually on auto-pilot, GPS builds and manages an entire global market for your Clubshop Mall. GPS helps you earn a substantial monthly passive income based on the everyday shopping made by satisfied people worldwide. They earn cash back, and you earn commissions. You can run your online business in your comfort zone anywhere in the world!

Merchant Offline: Do you run a local business? At Clubshop, with no investments or upfront costs, you can benefit from the most effective marketing and loyalty program you could ever conceive. Sign up for FREE as a Merchant affiliate to offer cashback and special offers to all our local members, affiliates, and partners. We manage everything. You can even decide to become a Merchant Partner for a small monthly fee to distribute the Clubshop Virtual Card to your customers. In that case, you also earn commissions on every purchase they could make at hundreds of stores in the years to come.

Merchant online: Online stores that do business with CLUBSHOP benefit from exposition to our large membership base, which creates a ready market without hassles.

We constantly increase our Membership base and keep all our members informed about the best savings opportunities available. They save money, and you increase your customer base and retention rate without risky investments.
